

Raising awareness of AKI in pregnancy

Creating a pregnancy AKI pathway for London

Date / time

Tuesday, 29 September
09:00 - 12:00

Venue

Burroughs Room, Wellcome Trust
183 Euston Road
London NW1 2BE

The London Renal Strategic Clinical Network (SCN) invites you to a 3-hour educational event on Tuesday, **29 September** to increase awareness and skills for **acute kidney injury (AKI) in pregnancy**.

The key output from this meeting will be to **determine a London pregnancy AKI pathway for ratification** by stakeholders and networks.

This session will provide background on AKI in pregnancy as well as present a (draft) pregnancy AKI pathway for discussion and feedback. Following ratification by stakeholders, the pathway will be used to increase education and understanding on this focus area.

Agenda

- ◇ **Background on AKI in pregnancy: An overview** | Professor Cathy Nelson-Piercy, Professor of Obstetric Medicine, Consultant Obstetric Physician, St Thomas' Hospital, Guy's and St Thomas' NHS Foundation Trust and Imperial College Healthcare NHS Trust
- ◇ **AKI in pregnancy: The obstetric view** | Dr Kate Harding, Obstetrician, St Thomas' Hospital, Guy' and St Thomas' NHS Foundation Trust
- ◇ **Work undertaken and proposed AKI care bundle** | Dr Anita Banerjee, Consultant Obstetric Physician, St Thomas' Hospital, Guy's and St Thomas' NHS Foundation Trust
- ◇ **Proposed bundle: Group discussion**
- ◇ **Proposed further work** | Dr Kate Bramham, Chadburn Lecturer, Department of Renal Medicine, King's College London
